

ADMINISTRATIVE VARIANCE APPLICATION PACKET

Relief from strict compliance with the following regulations of the UDO may be reviewed and approved by the Development Director:

- (1) Front yard or street side yard - Variance not to exceed ten percent of the required setback. If contextual setbacks are required, this relief may be granted for the minimum or maximum setback in the range.
- (2) Side yard - Variance not to exceed 2.5 feet deducted from the required setback. In no case shall the structure be located closer than five feet to the property line unless a variance is granted by Mayor and City Council.
- (3) Rear yard - Variance not to exceed five feet deducted from the required setback. In the NR-1 residential district, a variance to allow up to a 120-square-foot addition to the rear of a principal building; provided, however, that no addition shall be closer than 20 feet to the rear property line.
- (4) Building height - Not to exceed five feet for a mixed-use building built upon a parking deck or two feet for other uses except single-family detached residential. This provision may not be used to reduce the required minimum building façade heights set forth in Subsection 230-5(b) except in order to facilitate the adaptive reuse of an existing building that the Development Director determines to be of exceptional architectural character.
- (5) Minimum required parking spaces - Reduction up to 5 percent or 10 spaces, whichever is less.
- (6) Maximum required parking spaces - Up to 10 percent or 50 parking spaces, whichever is less.
- (7) Reduction or increase in number of compact parking spaces - Up to 10 percent or 25 parking spaces, whichever is less.
- (8) Parking permitted in the front yard - Up to 50 existing parking spaces to be accessed from a single driveway parallel to the street for adaptive reuse of an existing building.
- (9) Fenestration - Variance not to exceed 10 percent of the required fenestration.
- (10) Landscape zone - Variance not to exceed two feet deducted from the required minimum width.
- (11) Sidewalk clear zone - Variance not to exceed two feet deducted from the required minimum width.
- (12) Supplemental zone - Variance not to exceed two feet deducted from the required minimum width.

Application Requirements Checklist:

The following information and documentation must be received in order for an administrative variance submittal to be deemed a complete application:

- Completed Application Requirements Checklist
- Administrative Variance Application form
- Owner Permission Affidavit(s)
- Pre-Application Form Signed by the Development Director
- Redevelopment Assessment Form (if non-residential)
- Legal Description of the property

- Letter of Intent, that provides a project description and justification of how the project complies with the Review and Approval Criteria in Section 280-40. Each of the following Criteria must be addressed by the applicant:

For non-parking related Administrative Variances:

- (a) The Development Director shall have the authority to grant limited minor administrative variances from certain provisions of this zoning ordinance unrelated to parking, where the Development Director determines that:
 - (1) The strict application of the requirements of this zoning ordinance would cause undue and unnecessary hardship to the property owner or authorized agent; and
 - (2) The intent and continued integrity of the zoning ordinance can be achieved with equal performance and protection of public interests through grant of the administrative variance.

For parking-related Administrative Variances:

- (b) The Development Director shall have the authority to grant limited minor administrative variances from the minimum parking space requirements listed in Section 250-2, where the Development Director determines that:
 - (1) Because of unique circumstances including the shape, topography, soils and vegetation of the site, the provision of the minimum or maximum number of required spaces would cause the applicant to suffer unique and undue hardship.
 - (2) The site is located in an environmentally sensitive area, such as a water supply watershed, where stormwater runoff should be minimized.
 - (3) The unique circumstances of the use make the minimum or maximum number of parking spaces excessive for actual needs.

- Site Plan (See attached Site Plan Checklist for requirements)
- Administrative Variance Details sheet
- Other materials reasonably required by the City necessary to the analysis of the application as determined at the pre-application meeting or upon application submittal.
- Application Fee (\$250 + \$50 for each additional Administrative Variance submitted under one application + Advertising Fees)

Please submit the entirety of your application submittal electronically, saved in .pdf format with a maximum 50 MB file size, to Chambleedevelopment@chambleega.gov. No hard copies are required to be submitted. Fees can be paid electronically via the link found at www.chambleega.gov/152/applications-and-forms.

Application Processing:

An application shall be considered complete and ready for processing only if it is submitted in the required format, includes all required information and supporting documentation, and is accompanied by the application filing fee. Applications deemed complete by the Development Director will be considered to be in the processing cycle and will be reviewed by City Staff.

The Development Director shall make a decision for the application. The review time for an application is a maximum of

ten (10) business days. However, per Section 280-39, the final decision of the Development Director shall in no case be made later than 60 days from the date of receipt of a complete application unless extended by agreement of the applicant. The decision of the Development Director regarding an administrative variance shall state the reasons for approval or denial and shall be considered the final decision.

Any person or entity aggrieved by an administrative decision may appeal the decision in accordance with the appeal procedures in Chapter 280, Article 6, within 15 days of the administrative decision.

The current version of the UDO can be found at www.chambleega.com/160/zoning.

INSTRUCTIONS FOR REQUESTING A PRE-APPLICATION MEETING

Projects That Require a Pre-Application Meeting:

1. Amend the future development map
2. Amend the zoning map
3. Variance and/or waiver
4. Development of Community Impact (DCI)
5. Subdivide land
6. Addition to a commercial building
7. New commercial building
8. Any other application deemed necessary

Application Submittal and Review Process:

- A. **Complete a Pre-Application Information Form** that contains a detailed description of the request.
- B. **Prepare Concept Plans and a Submit a PDF digital version** that conveys the proposed project. These plans may be conceptual in nature and do not need to be developed by a design professional. (Note: Individual PDF files may not exceed 25 MB. Large files should be separated into individual PDF files not exceeding 25 MB.)
- C. **Submit the Pre-Application Instruction Form and Concept Plans** to the Development Department in person or via email to chambleedevelopment@chambleega.gov. The application and forms will be reviewed within (2) two business days. Once the plans are reviewed, the Development Department will notify the applicant if an in-person Pre-Application meeting is required. Note: If an in-person meeting is not necessary, then the Pre-Application Meeting will take place during Building Permit submittal.
- D. **Attend a Pre-Application Meeting** with the Development Department. The Development Department will contact the applicant to schedule a Pre-Application Meeting. Feedback about the proposal along with an overview of the application/review process will be provided during this meeting. The applicant should bring a hard copy of the concept plans to the meeting.
- E. **Submit a Signed Copy of the Pre-Application Information Form** with the formal application. When the applicant is prepared to submit the full, complete application for the development activity or zoning process a copy of this form is required to be submitted.

PRE-APPLICATION INFORMATION FORM SUBMITTAL CHECKLIST:

- Complete Pre-Application Information Form
- One PDF digital version of Concept Plans (Note: Individual PDF files may not exceed 25 MB. Large files should be separated into individual PDF files not exceeding 25 MB.)

Redevelopment Assessment Form

(Applied to all existing structures except for Single-Family Detached Residential structures, as per Chamblee UDO Section 270-9)

PROPERTY ADDRESS: _____

Assessment Conducted on: _____ (Date) By: _____

PROJECT TYPE: (Check all that apply)

- Renovation
- Alteration
- Addition
- Repair
- Other _____

THRESHOLD ASSESSMENT:

Total construction cost post renovation/improvement, cumulative: TCC = _____
(Attach documentation for all improvements made over the last 3 years, see UDO Section 270-9.)

Fair Market Value of existing structure: FMV = _____
(Attach DeKalb County Tax Assessor documentation for both entire site and individual building, or an appraisal from a certified appraiser.)

Percent calculation: $X = TCC/FMV =$ _____

See Page 2 of this form for Redevelopment Thresholds Summary Table.

Mandatory compliance is not intended to result in total improvement costs greater than or equal to 125% of FMV value but applicant shall meet items in order of priority listed in Section 270-9 of the UDO until the 125% cap is met.

Assessment: (Check one)

- Improvements not required because less than 40% improvement
- > 40% > 60% > 70%

Redevelopment Assessment Form, Page 2

Administrative Variance Site Plan Checklist

At a minimum, an administrative variance request shall include the following.

1. Site Plan of Existing Conditions. The site plan must be to-scale and include:
 - Parcel boundary
 - North arrow
 - Visual scale a minimum of 1"=100'
 - Location of streams and lakes affecting the property
 - Abutting streets, sidewalks, and rights-of-way
 - Existing building footprints, and other existing impervious surfaces such as driveways and walkways
 - Location of permanent ground signs
 - Existing easements
 - Zoning setbacks dimensioned on the plan
 - Existing impervious surface area ratio calculation
 - Existing open space calculation provided (if non-residential)
 - Any applicable zoning buffers dimensioned on the plan
 - Additional information may be requested by Staff
2. Site Plan of Proposed Conditions. The site plan must be to-scale and include the following, clearly identified with dimensions and materials:
 - Parcel boundary
 - North arrow
 - Visual scale a minimum of 1"=100'
 - Location of streams and lakes affecting the property
 - Abutting streets, sidewalks, and rights-of-way
 - Building footprints, and other impervious surfaces such as driveways and walkways
 - Location of permanent ground signs
 - Easements
 - Zoning setbacks dimensioned on the plan
 - Impervious surface area ratio calculation
 - Open space calculation provided (if non-residential)
 - Any applicable zoning buffers dimensioned on the plan
 - Additional information may be requested by Staff
