Notice: No changes shall be made from that which is stated in this application, or in attached plans and specifications, except by submitting a revised application, plans and/or specifications and receiving approval of the Chief Building Official for such change. Granting of a permit shall not be construed as a permit for or an approval of any violation of the Building Code or any other state or local law regulating construction or the performance of construction. I hereby certify that I have read and examined this application and the information provided is true and correct. I further certify that all construction will comply with the current City and State Building Codes. This permit is void if no construction activity commences within six months of issuance date or an extension is granted per City Code.										
I further agree that I shall be responsible from the date of this permit, or from the time of the beginning of the first work, whichever shall be earlier, for all injury or damage of any kind resulting from this work, whether from basic services or additional services, to person or property. I agree to exonerate, indemnify and save harmless the city from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation and actions, based upon or arising out of damage or injury (including death) to persons or property caused by or sustained in connection with any work performed under the building permit issued as a result of this application. I also agree to allow all inspections and right of entry per Section 120-2 of the UDO. **Note: Only the Property Owner, Architect, General Contractor or other Authorized Agent should sign this application as an applicant. EXCEPTION: If a tenant is applying to move into a commercial space, then the tenant should sign as the applicant.
